2006

For immediate distribution to all Customers, Sales Channel Partners & AverLogic Personnel

Subject: Notification of End Of Life and Last Time Buy – AL440C-20-PBF, AL440C-12, AL440C-12-PBF, AL4V8M440x2A-20, AL440x2A-20-PBF, AL4V8M440A-20, AL4V8M440A-20-PBF, AL4V8M440A-12 and AL4V8M440A-12-PBF FIFO's

To all above:

AverLogic Technologies is announcing the End Of Life and Last Time Buy (EOL/LTB) of the **AL440C-20, AL440C-20-PBF, AL440C-12, AL440C-12-PBF, AL4V8M440x2A-20, AL440x2A-20-PBF, AL4V8M440A-20, AL4V8M440A-20-PBF, AL4V8M440A-12 and AL4V8M440A-12-PBF** devices.

The recommended alternative for customers is the **AL440B-24, AL440B-24-PBF, AL440B-12 or AL440B-12-PBF**. These alternatives might require a board revision, please contact AverLogic technical support for detail information.

Effective from the above notification date, Distributors and Customers have until October 31st 2006 to place orders. These orders can be scheduled for delivery up to March 31st 2007. All orders for these devices placed under this EOL/LTB process are be **non-cancellable and non-returnable**. AverLogic can only support product availability for orders placed before the Last Time Buy order deadline (October 31st 2006).

This EOL/LTB is due to an unexpected change in manufacturing technology and we apologise for the short notice available. This EOL does **NOT** affect the AL422, AL440B families; these are produced at a different fab and will continue in volume production

We will work with you to minimise the impact of this change, but must emphasise the need to place order coverage as soon as possible. There is a finite amount of product available and until you have received confirmation of your order you should not assume that you will get the product ordered.

If you have any questions or require additional information, please contact your local Averlogic Technologies Distributor / Sales Representative or please feel free to contact me on 408 3610400 x108 or email to john@averlogic.com

Regards,

John Lin
