<p>DESCRIPTION AND PURPOSE OF CHANGE:</p> <p>The new silicon/device revision (BC) fixes the errata listed in the attached errata document. Revision BC devices are a drop-in replacement of the BB revision and are fully software and hardware compatible (except device revision ID).</p> <p>Please migrate your designs to the device revision BC within 90 days as we plan to move 100% to this revision. The revision BB will NOT be available after May 3, 2007.</p> <p>The BC silicon revision is a metal-layer change to its BB base device.</p>			
<p>RELIABILITY/QUALIFICATION SUMMARY:</p> <p>No impact anticipated. Device reliability tests were successfully completed.</p>			
<p>CUSTOMER ACKNOWLEDGEMENT OF RECEIPT:</p> <p>Please FAX the acknowledgement below to Sarat Misro at (408) 735-9094 or E-mail qa@plxtech.com to grant approval or request additional information. If PLX does not receive acknowledgement within 30 days of this notice, we will assume that this change is approved.</p>
